# ADIL RAHOO

## Serving as your VP, I...

- Pushed for fair grading and helped in successfully extending the 'no-detriment approach' for all students.
- Lobbied the Government and helped in successfully releasing £5 million for student hardship funds.
- Raised motions in Scottish Parliament through MSPs and helped in successfully releasing £24,000 for each Students' Associations.
- Created the 'Caledonian Court Officer' position to give the residents a voice in our democracy.
- Developed progress with the University for student parking, microwaves on campus and embedding climate change training in the curriculum.

# IF YOU WANT TO GET IT DONE, ADIL IS THE ONE

# ADIL RAHOO

## As your President, I will...

- Ensure that a safe and physical graduation is in place for students.
- Update the equipment at The Ark including building steam rooms.
- Create the all new 'The Ark' app for sports and GCU Wolves.
- Push for renovating Caledonian Court.
- Bring forward the net-zero emissions target of GCU to 2035.
- Push for allowing females to miss 4 days of classes in a month to counter pain, discomfort or illness caused by menstruation.
- Prioritise and build Gender Neutral Toilets in all buildings of GCU.
- Introduce adjustable timetables that enable reduced lecture days.
- Enable auto-approval of Mitigating Circumstances for Disabled Students.
- Lobby Government as an institution for free student public transport.
- Lobby University and Government for reduced International and EU fees.
- Push for 24-hours granted to students to complete online exams.
- Increase GCU's Children Nursery capacity from 25 to 50.
- Mandatory training for teaching staff on Learning Disabilities.
- Update online and offline technologies for The EDIT and Radio Caley.
- Finalise my talks and progress with the University to roll out microwaves, embedding climate change training in the curriculum and providing cheaper parking alternatives for students.
- And more...
