#### STRUCTURE, GOVERNANCE AND MANAGEMENT

Glasgow Caledonian University Students' Association, otherwise known as GCU Students' Association, is an unincorporated charity established under the Education Act 1994 and constituted under the Charter of Glasgow Caledonian University (GCU). GCU Students' Association is also a registered Scottish charity, number SC022887. All students studying programmes at the Glasgow and London campuses at GCU are automatically members of the Students' Association. The Students' Association is a member-led organisation.

The Students' Association has a Trustee Board that has ultimate responsibility for setting the strategic direction of the Students' Association, ensuring it is solvent, well-run, meets its Mission, Vision and Values and delivers its charitable purposes. The Trustees of the charity consist of four elected Full Time Officers, four appointed Student Trustees and four appointed External Trustees. The Full Time Officers, also known as Sabbatical Officers are elected by the membership on an annual basis for a one-year term, the Student Trustees are appointed for up to a two year term and the External Trustees are appointed for a three year term. The Appointments Committee, a sub-committee of the Trustee Board, interview applicants for Student and External Trustees vacancies. Vacancies are advertised seeking candidates that meet the skills required by the Trustees, as defined by the Charities and Trustee Investment (Scotland) Act 2005. The Trustees serving during the year and since the year end are detailed on page 1. The Health and Safety Committee is also a Sub Committee of the Trustee Board. The Trustee Board is chaired by the Student President and the Vice Chair is an External Trustee.

The Trustee Board receive a Trustee Induction Programme that involves a tour of the Students' Association and meeting the Students' Association staff, Trustee Board Training, an Induction Pack, an ongoing training programme and away-days for strategic planning and team building activities in order that they understand their legal and administrative responsibilities.

The Trustee Board meets four times a year and receives reports on how the Students' Association is achieving its mission, vision and values, to develop strategy, to monitor and review the charity's policies and performance, ensure compliance with the Constitution and law and maintain proper fiscal oversight. The Trustee Board has the powers to make changes to the Constitution, Schedules and By-laws, subject to the ratification of Caledonian Student Voice and approval by GCU University Court. More information about the Trustee Board and how the charity makes decisions is available from <a href="http://www.gcustudents.co.uk/trusteeboard">http://www.gcustudents.co.uk/trusteeboard</a>.

Caledonian Student Voice is our policy making body that meets four times a year. It oversees the work of the Student Voice Sub-Committees, including the Executive Committee, holds Officers to account and sets our campaigning and representation agenda. The total number of places on Student Voice is around 50. The composition of Student Voice includes: Chair, Vice Chair, Executive Committee, Student Voice Officers, Academic Reps and ordinary members from each of the GCU academic schools.

The Executive Committee consists of the four Full Time Officers, elected by the membership on an annual basis and are responsible for ensuring the views of GCU students are effectively represented at GCU, within the National Union of Students (NUS) and externally and that the Students' Association makes a positive difference to the lives of GCU students. The Executive Committee normally meets every two weeks.

The minutes of the Trustee Board, Caledonian Student Voice and the Executive Committee are available from <u>www.GCUstudents.co.uk/minutes</u> and the Governance Structure is available from <u>www.GCUstudents.co.uk/governance</u>.

The Students' Association employs permanent staff, otherwise known as career staff. The permanent staff provide continuity, professional and managerial expertise and are responsible for undertaking the day-to-day management and running of the organisation and implementing Students' Association policy. All staff ultimately report to the Chief Executive, who in turn reports to the Trustee Board. The Chief Executive has been delegated overall responsibility for the strategic and general management of the Students' Association.

In January 2017 we achieved the Investing in Volunteers accreditation and in May 2017 we achieved the NUS Quality Students' Unions accreditation.

### RELATIONSHIP WITH GLASGOW CALEDONIAN UNIVERSITY

The Students' Association receives support and resources from Glasgow Caledonian University such as the Block Grant, occupying a building owned by the University, and professional advice and support from the University when necessary. GCU and GCU Students' Association have jointly approved a Partnership Agreement, 'GCU Community: Working Together in Partnership', that informs and underpins our approach to partnership working in practice. The Code of Practice relating to the operation of the Students' Association.

GCU remains committed to student engagement and partnership working with GCU Students' Association. The Enhancing the Student Experience (ETSE) Steering Group and Student Experience Action Plan (SEAP) ensures partnership working between the Students' Association, students and the University.

The Students' Association has worked closely with the University in preparation for the Enhancement-led Institutional Review (ELIR). This has included the Students' Association being active participants of the ELIR Steering Group, contributing to the development of the Reflective Analysis, Advanced Information Set and student communications and working with the University on recruitment of students for the ELIR panel meetings.

The Students' Association have additionally been involved in contributing to the Outcome Agreement submission and through involving students have actively shaped the GCU 2030 Strategy.

The Trustee Board thank and acknowledge the GCU University Court, Executive Board, support departments and academic schools for their continued assistance in helping us improve the student experience at GCU.

Details of the transactions between the Students' Association and the University are set out in Note 3 of the financial statements.

#### PURPOSES AND ACTIVITIES

The Trustee Board identified the Mission of the Students' Association "to represent and enable students to enhance all aspects of their student experience", with the Vision "that students will have an outstanding experience that will live with them forever". The Students' Association shares the Values of Diversity, Community, Participation, Fun, Support and Leadership.

The charitable purposes of the Students' Association as outlined in our Constitution are:

- the prevention and relief of poverty of students
- the advancement of citizenship and community development
- the advancement of education
- the advancement of the arts, heritage, culture and science
- the advancement of health amongst students
- the organisation of recreational activities for students who have need of them by reason of financial hardship or other disadvantage
- the promotion of religious or racial harmony
- the promotion of equality and diversity
- the promotion of charitable fundraising activities

In pursuance of its purposes for the public benefit, the Students' Association will ensure that the diversity of its membership is recognised, valued and supported and has established departments and services for use by its membership and to support its work with the University and other organisations on behalf of students. These include the Representation and Advice Department, Activities Department and Membership Support Department.

The Representation and Advice Department, through the Advice Centre, provide a confidential drop-in service for students for support and information on academic and personal issues. Students can see our Student Advisers for support and advice. This service operates an emergency hardship fund and free condoms and sanitary products. This department also supports the GCU Academic Representation Structure and students being involved in GCU Quality Assurance and Enhancement processes, Caledonian Student Voice, campaigning and provides support to student reps. This department takes forward our Ethical and Environmental work.

The Activities Department provides many involvement opportunities for students. This includes being involved in sports clubs, societies, media groups (Student Magazine or Radio Station) and volunteering programmes. We are also very proud of our Student Leaders Programme. This flagship programme accredits all our student volunteers and gives them a reflective and supportive environment to develop their leadership skills.

The Membership Support Department exists to support the work of the other two departments. This department includes the Finance Office, Welcome Desk, clerking for meetings and general administrative support for staff, officers and the membership.

The Students' Association launched The Bigger Plan 2020, our strategic plan, in September 2016. This is a four year strategic plan. In December 2019 the Trustee Board took the decision to extend The Bigger Plan 2020 by one year and finish in Summer 2021. The themes are: Where everyone belongs, Where everyone can grow, Where everyone can work together and Where everyone can try new ideas. Our Strategic Enablers are: Financial Sustainability, Marketing and Communications and Premises and Infrastructure. More information is available from: www.GCUstudents.co.uk/strategicplan.

#### ACHIEVEMENTS AND PERFORMANCE

The following highlights some of the achievements and performance for the academic year 2019/20.

Two key external measures of GCU students' satisfaction with GCU Students' Association is the National Student Survey (NSS) and the International Student Barometer (ISB). The Students' Association received a score of 94% satisfaction in the latest ISB and 56% in the NSS. The Students' Association continues to perform well within the ISB. We have made an improvement on our NSS 2019 score, by 4%. Our NSS score was the same as the UK average and 4% higher than the Scottish average. The NSS question asked how effectively the Students' Association represents students' academic interests.

During Freshers Week the Students' Association delivered interactive classroom workshops to new students. A total of 80 workshops (2018/19, 52; 2017/18, 58) were delivered in Trimester 1 that engaged with 1,393 students (2018/19, 1,283; 2017/18, 1,431). In addition, the Full Time Officers completed 13 School Induction Talks within SCEBE, GSBS and SHLS and spoke to over 4,000 students during Freshers Week. The Full Time Officers were also involved in the GCU International Orientation and our Student Handbook was posted to all new students. Our Sports Clubs and Societies ran many events during Freshers Week to welcome new students and encourage students to get involved. 46 Sports Clubs ran Come and Try sessions were held with 1,427 students participating. 28 Societies ran Come and Try sessions were held with around 754 students attending. The Freshers Fayre was held over two days in Glasgow in the ARC with 90 indoor stalls and 22 outdoor market stalls. Both days were extremely busy. Freshers Week could not have been delivered without the 53 invaluable Freshers volunteers (2018/19, 29; 2017/18, 27 students). The singer Lewis Capaldi provided a welcome message for Freshers Week that was shared across our social media channels.

Students can submit ideas on how they think GCU and the Students' Association can be improved. The Executive Committee can progress straightforward ideas and more substantial Ideas are taken to Caledonian Student Voice for discussion and approval to become policy. There were 59 places filled on Student Voice during 2019/20 that normally meets four times a year. A comprehensive review of the By-Laws was completed and this was approved by Student Voice. The fourth meeting unfortunately did not take place at this was scheduled when the Coronavirus lockdown happened. A total of 23 (2018/19, 18; 2017/18, 13) were Ideas raised through the website. Submitting Ideas is still a relatively new initiative that requires further work to become embedded.

Overall, we have continued to have a good engagement with democratic events within the National Union of Students (NUS), with attendance at the NUS Scotland The Gathering Conference and delegations attending the online NUS UK and Scotland Conferences.

The Students' Association submitted motions to the NUS Scotland Conference. The Full Time Officers have also attended the Glasgow Student Forum with other Full Time Officers from Glasgow based universities and colleges and where available, attended the Merchant City and Trongate Community Council and Townhead and Ladywell Community Council.

The Full Time Officers have been focusing during this academic year on improving their engagement with the membership through the Student Engagement Plan. The main components of the plan include Lecture Shouts, Blogs and Ask the Officer. The rationale for this plan is to encourage the Full Time Officers to get out from behind their desks and meet with members outside of formal structures or events, in order to listen to students' feedback on their student experience at GCU. The Full Time Officers also have the opportunity to communicate key messages to the membership from the Students' Association. During Trimester 1 and 2 the Full Time Officers engaged with 10,840 students (2018/19, 12,466; 2017/18, 14,622) through 47 Lecture Shouts (2018/19, 64; 2017/18, 110) and held 12 Coffee on Campus/Ask the Officer events on campus (2018/19, 4; 2017/18, 7). In addition, there were 24 Ask the Officer Online events. In total the Full Time Officers produced 41 blogs (2018/19, 47; 2017/18, 35).

The Students' Association continues to be active in representing the needs of our members and improving the lives of GCU students. These are some highlights:

- After a strong student-led campaign there will be no graduation fees at Glasgow Caledonian University from Summer 2020. The Students' Association listened to GCU students' feedback, the policy created at our Student Voice and secured an agreement with the University to abolish graduation fees for all students from Summer 2020. Such a positive outcome has been the result of the strong partnership working between the Students' Association and the University. Our members, GCU students, were critical to this campaign success through responding to our consultation, submitting Ideas on our website and their own grass-root campaigns. More information is available from: <a href="https://www.GCUstudents.co.uk/articles/no-graduation-fees-from-summer-2020-campaignwin">www.GCUstudents.co.uk/articles/no-graduation-fees-from-summer-2020-campaignwin</a>.
- The Students' Association has worked closely with the University in preparation for the Enhancement-led Institutional Review (ELIR). This has included being active participants of the ELIR Steering Group, contributing to the development of the Reflective Analysis and Advanced Information Set and working with the University on recruitment for the ELIR meetings with students. In addition, the Student President produced an ELIR video for GCU students which is available from: www.GCUstudents.co.uk/articles/gcu-elir-review-2019-20.
- The Students' Association was alerted, particularly from our PGR Reps to the
  potential closure of the Hamish Wood Building on Sundays. Whilst supporting the
  rationale behind this decision, i.e. economic and environmental reasons, it had not
  been fully consulted with all stakeholders and we were pleased that the University
  decided to pause on this decision and seek to consult with all stakeholders, to ensure
  all concerns were addressed. More information is available from:

www.GCUstudents.co.uk/articles/hamish-wood-building-sunday-closure-update.

- The Executive Committee have taken a stance to support the reasons behind the industrial action by GCU UCU members. The Full Time Officers produced a statement for members, explaining their position to our members. This is available from: <a href="https://www.GCUstudents.co.uk/articles/statement-on-further-ucu-industrial-action">www.GCUstudents.co.uk/articles/statement-on-further-ucu-industrial-action</a>.
- The Students' Association worked closely with GCU Student Life to create a joint campaign to showcase the activities and services of the Students' Association. The campaign was launched in February 2020.

- The Student President and Vice President SCEBE were involved with the
  organisation of International Women's Day at GCU. The celebration of International
  Women's Day was spread across two weeks with activities and stalls running
  throughout the two weeks. The Circle Society had a stall set up for the first week of
  the celebration promoting the work The Circle carries out for disadvantaged women
  and girls around the world.
- The Students' Association were actively involved in discussions to ensure the smooth transition of GCU London from an academic school to a campus. This involved discussions with current GCU London students and the GCU London Officer and ensuring that the student experience was at the forefront of decision making. The Student President is a member of the London Transition Group.
- The Students' Association continue to be active in contributing to the development of the MITs (Mitigating Circumstances) Policy. Enhancements such as online submission are positive but we must continue to ensure that the health and wellbeing of students, as well as their academic performance, is core within this process.
- The Students' Association submitted the Student Mental Health Agreement to the NUS Scotland Think Positive Project in May 2020. This is a joint initiative with GCU Wellbeing Services. A video 'Let's talk about Mental Health' was created for the University Mental Health Day on Thursday 5th March 2020. Feel Fab Feb was created as part of the Student Mental Health Agreement and this involved a month of events to promote student mental health and wellbeing. There were lots of activities including providing free fruit to students with positive messages, hula hoop competition, sustainable food event, free gym passes, Paws for Stress event, taster sessions from societies, sports clubs, Radio Caley and Calm Zones every day.
- From the early stages of the COVID-19 pandemic impacting on the University, the Full Time Officers within the Students' Association and academic reps have been proactively consulted by the University in their response to the situation to ensure students remain at the heart of decision making during these unprecedented times and in the communications to students. This has included discussions on campus closures, online learning, teaching and assessment approach, placements, student mobility, residents at Caledonian Court, temporarily amending the mitigating circumstances process and assessment regulations, creating a catch up period, extending the discretionary fund, IT support (and responding to any lack of access to equipment or broadband by students), revised graduation arrangements, student wellbeing and student access to support. A key joint decision was the decision to release students from their accommodation payments at Caledonian Court.
- The Students' Association had representation on the University Race Equality Short Life Working Group, Tackling Racism Short Life Working Group and the BME Attainment Gap Working Group.

Working in partnership with the University, the Students' Association led on an Academic Rep Review with the following Academic Rep Structure implemented at GCU from 2019/20: Class Reps, Department Reps, Postgraduate Taught (PGT), Postgraduate Research (PGR) Reps and Deputy Postgraduate Research (PGR) Reps. An outcome of the GCU Internal Audit on Student Representation resulted in the co-creation of the Guide to Student Representation at GCU which outlines how the University and the Students' Association work together to ensure effective student representation. The guide is available from:

https://www.GCUstudents.co.uk/resources/guide-to-student-representation-at-gcu.

The Students' Association provides training and support for all academic reps at GCU. On the Glasgow Campus the Students' Association, with the assistance of the University, received the contact details for 441 Class Reps (2018/19, 497; 2017/18, 583). There were 270 Class

Reps that received classroom training (2018/19; 323; 2017/18; 363) and 69 completed online training (2018/19, 32; 2017/18, 5). Working with the University we recruited and supported Department Reps, Postgraduate Taught (PGT) and Postgraduate Research (PGR) reps. All the 22 Department, 3 PGT Reps and 7 PGR Reps were recruited and trained. We continue to work in partnership with GCU on organising a student-led Student Action Group for Engagement (SAGE) that provides student input into the development of GCU learning, teaching and quality enhancement policy. The Academic Rep Gatherings took place in Trimester A with 24 reps attending and in Trimester B the event was cancelled due the close of the GCU campus due to the Coronavirus outbreak. The event was re-arranged online with 10 reps attending. The Students' Association supports the GCU Department of Academic Quality to fill the student panel places on Programme Approval/Review Boards.

The Students' Association supports the student-led liberation groups and officers: LGBT+ Group, Women's Group, Ethnic Diversity Networking Group (formerly Black or Minority Ethnic Students' Group) and Disabled Students' Group. There were 129 students involved across the four liberation groups. The Students' Association also supports the student-led representation groups and officers, namely: International, Mature and Part-Time, Care Experience, Student Carers and Mental Health and Wellbeing. There were 135 students involved across the Representation Groups. Student Voice agreed to change the Safe Space into a Quiet Room within the Students' Association Building. Further information is available from: www.GCUstudents.co.uk/articles/launch-of-our-quiet-room. The Mature and Part-time Students Officer and the Vice President SCEBE worked with GCU Estates to successfully launch the Mature Students Room on campus. More information is available from: www.GCUstudents.co.uk/articles/mature-students-room-campaign-win.

The Students' Association received 559 nominations (2018/19, 447; 2017/18, 603) for 202 GCU staff by 312 students for the Students' Association Teaching Awards. These awards allow students to nominate GCU staff in six categories which recognise excellence in different areas of teaching and support, namely: Terrific Teaching, Fantastic Feedback, Creative Curriculum, Super Support (teaching staff), Super Support (non-teaching staff) and Sensational Supervision and Support. The Advice Centres operates as a drop in service for students seeking confidential support, advice and guidance. Depending on the type of enquiry, case files are opened for students who require ongoing advice and support which is normally academic representation cases. These students would see the Student Adviser on more than one occasion and a detailed record of every meeting would be recorded. However, many of our enquiries come from students who only pop into the Advice Centre for a few minutes to access our free condom or sanitary product service, to pick up a leaflet or who obtain the information they require at one visit. The Advice Centre dealt with a total of 1,000 (2018/19, 1,168; 2017/18, 1,314) student enquires, 205 visits for the free condom service (2018/19, 423; 2017/18, 412) and had 205 (2018/19, 294; 2017/18, 298) case files. The Advice Centre due to the Coronavirus outbreak moved to online provision from Tuesday 17th March 2020 and students were directed to free external online delivery of sanitary products and condoms.

The Advice Centre supports the Nightline Service, which is run in partnership with the University of Strathclyde Students' Association. The 35 student volunteers (21 GCU students) supported interactions (calls, texts and online chats) through the Nightline Service. The Nightline Service closed on Friday 13th March 2020 due to the Coronavirus outbreak and calls were referred to the Samaritans and there was online mental health and wellbeing signposting. The main themes of interactions in Trimester 2 were academic issues, stress/anxiety, relationships and family. The volunteers covered 62% of the available shifts.

The EDIT, the student magazine, is run by a student committee, had 110 members (2018/19, 90; 2017/18, 77) and is supported by the Students' Association. The EDIT produced four printed editions. The EDIT continues to regular produce articles through its website: www.theeditgcu.com. A total of 90 online articles (2018/19; 96; 2017/18, 78) were written.

Radio Caley is an internet radio station which broadcasts during Trimester 1 and Trimester 2. The radio station normally broadcasted from 12noon to 10.30pm Monday to Friday. There was 79 members (2018/19, 99; 2017/18, 80). Members can listen online: <u>www.radiocaley.com</u>.

The STAR Awards 2020 could not take place on the 16th April 2020 in the Re:Union Bar due to the Coronavirus outbreak and was rescheduled to the 19th June 2020 on the Students' Association Community on GCU Learn. In total 14 awards were presented. More information on the winners is available from: <a href="http://www.GCUstudents.co.uk/articles/star-award-winners-2020">www.GCUstudents.co.uk/articles/star-award-winners-2020</a>.

The Students' Association is in its eighth year of operations at the GCU London campus. The Students' Association has a base within GCU London and has a full time member of staff to support the student reps, offer independent advice and guidance to students and to support student activities and events. In addition to electing a GCU London Officer and GCU London PGR Rep, every programme at GCU London has a Class Rep. In total there were 24 registered Class Reps, with 15 trained. The Students' Association offers independent advice and support to GCU London students and supports them with academic representation. There were a total of 145 student enquiries (2018/19, 181; 2017/18, 157) and 20 casework files (2018/19, 37; 2017/18, 25) at GCU London. There were 6 student-led societies running at GCU London with 101 (2018/19, 90; 2017/18, 116) memberships sold. In addition, we run the London Leadership Programme which had 45 students registered and an events programme on the GCU London campus.

## **RESPONDING TO CORONAVIRUS**

On Monday 16<sup>th</sup> March 2020 the Students' Association took the decision due to the Coronavirus pandemic to stop all in person activities and events and a statement was made to our members through our website. On Tuesday 17<sup>th</sup> March 2020 we closed the Students' Association Building and our London Office and moved most of our services and activities online. Employees moved to temporarily working from home and were available to the membership by email from Wednesday 18<sup>th</sup> March 2020. The Students' Association migrated to using Microsoft Teams and Zoom for committee meetings and one to one meetings with students.

On Friday 20<sup>th</sup> March 2020 we sent an email to our members with our initial plans to move our services and activities online. This included launching our new Students' Association Community on GCU Learn that has hosted Ask the Officer events, academic rep meetings, a discussion board, a weekly Online Pub Quiz, Teaching Awards and STAR Awards. Further emails communications were sent on the 20th April 2020 and on the 5th May 2020.

In addition to our GCU Learn Community, our Facebook page was used for Ask the Officer events and provided signposting to mental health and wellbeing support by the University and externally and suggestions for daily online activities, such as virtual tours of museums, online gigs, online comedy etc.

Our Vice President SCEBE initially created Suzi Dee Daily Lockdown Vlogs (video blogs) that then moved to a weekly Lockdown Vlog. These light-hearted Vlogs showcased the work the Students' Association, the University and students are doing each week of Lockdown and adjusting to studying at home. Our Full Time Officers and staff have supported the academic reps (Class Reps, Department Reps, PGT Reps and PGR Reps) in addressing localised concerns affecting students learning, teaching and assessments.

#### FINANCIAL REVIEW

The total income from all sources this year was  $\pounds749,256$  (2019;  $\pounds758,150$ ). The income is broken down as  $\pounds642,141$  (2019;  $\pounds648,760$ ) funding from Glasgow Caledonian University,  $\pounds75,846$  (2019;  $\pounds109,390$ ) generated income and  $\pounds31,269$  from the Job Retention Scheme (2019;  $\poundsni$ ).

The total expenditure was £733,173 (2019; £759,526). The expenditure is broken down as £312,869 (2019; £283,799) for Student Engagement, £152,612 (2019; £156,827) for Student Support and £267,692 (2019; £318,900) for Student Activities. Included within wages and salaries costs is an amount of £21,185 in relation to holiday pay the staff had accrued but not taken at 31 July. There has been no requirement for such an accrual in the past, but the exceptional circumstances this year meant that the staff had not taken a significant part of their holiday entitlement by the year end.

The surplus for the year was £16,083 (2019: deficit of £1,376). A total of £140,580 was retained within the reserve accounts (2019: £124,497).

### **KEY MANAGEMENT PERSONNEL**

The Students' Association has its own pay scale, that includes 8 different grades, that evolved from the former local government pay scales. The role of Chief Executive is graded S02 and the Representation and Advice Manager, Finance Manager and Activities Manager roles have been graded AP5. These roles form the Senior Management Team and the Trustee Board approves any changes to the pay scale.

### **RESERVES POLICY**

All reserves represent income received for the principal activity of the Students' Association for which no specific use was identified at the time of receipt. The Trustee Board has over time designated various reserves for specific purposes at their discretion.

The undesignated reserves represent the free reserves of the Students' Association. The Trustee Board would wish to build these reserves to a position where they cover three months' resources expended in order to cover fluctuations in funding and costs. It is realised this is a long term objective which will not be realised in the short term. Based on current expenditure levels this would equate to holding reserves of £183,000.

At 31 July 2020 the Students' Association had total unrestricted funds of £140,580 (2019; £124,497). Of this amount £18,440 (2019; £20,071) was tied up in tangible fixed assets, £28,181 (2019; £24,033) was designated as an Activities Reserve, £44,118 (2019; £44,118) as a Development Reserve and £8,605 (2019; £8,605) as a Representation and Advice Reserve, leaving free reserves of £41,236 (2019; £27,670).

### PLANS FOR FUTURE PERIODS

The Students' Association will move into Year 5 of the Bigger Plan 2020 (our strategic plan) and will progress towards meeting the ambitious Key Performance Indicators.

Our Big Actions we plan to achieve during 2020/21 include a Constitutional Review, supporting the University Enhancement-led Institutional Review (ELIR) and GCU 2030 Strategy, identifying how the Teaching Awards can be further cemented into the GCU Community, maintaining the NUS Green Impact accreditation, maintain our high ISB score, an improved NSS score and work with the University on the Student Experience Action Plan.

The next strategic plan will be developed during 2020/21, along with a review of our Mission, Vision and Values and then a four-year strategic plan will run for the academic years 2021/22 to 2024/25. This would ensure that the strategic plan is better aligned to the GCU Strategy 2030.

## FUTURE FUNDING

Glasgow Caledonian University has confirmed that the Students' Association will receive a Block Grant of £628,900 for the academic year 2020/21. Given the current global Coronavirus pandemic and current financial situation within the Further and Higher Education sector in Scotland, the Students' Association is appreciative of the Block Grant remaining at the same cash level as last year.

The Trustee Board confirms that the Students' Association has sufficient funds to meet all its obligations. A budget that creates a small surplus during 2020/21 has been approved, so that the Students' Association can continue to build upon its currently limited General Reserves. We will continue to prudently spend in order to fully succeed in our purposes.

### **CONNECTED BODIES**

The Students' Association has no formal links or associations with other charitable bodies but works in partnership with other Students' Associations and Unions and the National Union of Students to promote issues important to students and the wider community. The Students' Association maintains close links with Glasgow Caledonian University. Details of related party transactions are disclosed in note 3.

### **RISK MANAGEMENT**

The Trustees have a risk management approach which comprises:

- An annual review of the principal risks and uncertainties and a quarterly review of emerging risks and uncertainties that the charity faces;
- the establishment of policies, systems and procedures to mitigate those risks identified; and
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major financial risk for the charity in terms of level of Block Grant received from Glasgow Caledonian University, the ability to make sufficient additional income through advertising, sponsorship and sales and to build upon our small level of General Reserves. The ability to general Other Income will be particularly challenging due to the ongoing Coronavirus pandemic. A key element in the management of financial risk is a regular review of available liquid funds to settle debts as they fall due, rolling forecasts, regular liaison with the bank, and active management of trade debtors and creditors balances to ensure sufficient working capital.

#### Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006 (as amended), and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Statement of Disclosure to the Auditor

In so far as the trustees are aware:

- there is no relevant audit information of which the charity auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Susan Docherty Chair of the Trustee Board

#### GLASGOW CALEDONIAN UNIVERSITY STUDENTS' ASSOCIATION INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF GLASGOW CALEDONIAN UNIVERSITY STUDENTS' ASSOCIATION FOR THE YEAR ENDED 31 JULY 2020

### Opinion

We have audited the financial statements of Glasgow Caledonian University Students' Association (the 'charity') for the year ended 31 July 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 July 2020, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### GLASGOW CALEDONIAN UNIVERSITY STUDENTS' ASSOCIATION INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF GLASGOW CALEDONIAN UNIVERSITY STUDENTS' ASSOCIATION FOR THE YEAR ENDED 31 JULY 2020

#### Other information

The other information comprises the information included in the report and financial statements, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charity Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Report of the Trustees; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement set out on page 13, the trustees are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

#### GLASGOW CALEDONIAN UNIVERSITY STUDENTS' ASSOCIATION INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF GLASGOW CALEDONIAN UNIVERSITY STUDENTS' ASSOCIATION FOR THE YEAR ENDED 31 JULY 2020

#### Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance ,but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

### **1. Accounting Policies**

### (a) Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest  $\pounds$ . The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

#### (b) Funds structure

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created funds for specific purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed, or through the terms of an appeal.

Further details of each fund are disclosed in note 16.

#### (c) **Income recognition**

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations, are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the granting of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

### 1. Accounting Policies (continued)

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Income from government and other grants, whether 'capital' or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Income received in advance of the provision of a specified service is deferred until the criteria for income recognition are met (see note 15).

## (d) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

- Expenditure on charitable activities includes grants payable, project and activity costs, staff costs, premises costs, running costs, legal and professional fees, interest charges, depreciation and other activities undertaken to further the purposes of the charity and their associated support costs;
- Grants payable are payments made to student clubs and societies in the furtherance of the charitable objects of the charity.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure is incurred.

### (e) Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

### 1. Accounting Policies (continued)

### (f) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on the time spent on each activity. The allocation of support and governance costs is analysed in note 7.

#### (g) Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged as follows:

	Basis
Fixtures and fittings	20% per annum straight line
Office Equipment	25% - 50% per annum straight line
Refurbishment	20% per annum straight line

#### (h) Stock

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

### (i) **Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

### (j) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

### (k) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

### (I) Pensions

The Association operates a group personal pension scheme for employees. The assets of the scheme are held separately from those of the Association. The pension costs charged in the Statement of Financial Activities represent the contribution payable by the charity during the year.

### 1. Accounting Policies (continued)

### (m) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

### (n) Taxation

#### 21. Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.
