

**We can**

**We will**

**Do It**

Hi, my name is Bhavanishanker Sharma (you can call me **BSS**) and I am running for the position of **Student President** in Full Time Officer Elections 2021 because education has always been something close to my heart. Practicing education is like a ceramic learning, it's simply a *passion*. Followings are my objectives:

**1) GCU PODCAST**

- ✓ Entity towards mental wellbeing, promoting and creating awareness online/offline into youth centred workshops of mental wellbeing for all the GCU community.
- ✓ GCU PODCAST will cover ΔPQR concept 3P's: *personal engagement, professional engagement, and practical engagement*; 2Q's: *questions arise why to do (mental wellness on skillset in/at current situation) and what will be the difference (Personal/professional growth)* & 1R: *Results going on developing best from #ONE to actual world.*

**2) GCU ON THE FEET CAMPAIGN**

- ✓ Believe to grow GCU and welcome all smart multi-cultural diversity ecosystem under #ONE banner to deliver equality, encouragement, promotion, and involvement into the vast numbers of departments, clubs, society & individual groups of GCU.

**3) I.C.E. minded GCU Students**

- ✓ Involving the *mentoring and investors panel* from national/international personalities to do active pulling out of the hidden innovators, competitors, and entrepreneurship (ICE) among GCU Students at macro scale projects onto ground zero.

**4) Sustainable platform in pool campaign with national/ international University**  
(set up an interphase with them)

- ✓ Cope up to Learning (is earning) and sharing (is caring) environment in alternative embodiments/arrangements of reputed University.
- ✓ Internship/job placement ecosystem to students understanding towards *current market trends and scenario*.

**5) 15 minutes Class Breaking Intervals**

- ✓ *Effective Learning*: According to the psychological research, a normal person can attend lecture with *70% efficiency, up to 45 minutes* in terms of achieving best results. The lectures should be distributed in blocks of 45 minutes each.
