

# RE-ELECT EILIDH FULTON

I'm Eilidh Fulton, Vice President of YOUR Students' Association, and now I'm running to be re-elected as YOUR Student President.

## **An enhanced Students' Association Building with improved facilities for YOU to use!**

I will fight to **improve the facilities for ALL students** in a **NEW** and **ENHANCED** Students' Association **building**. You will have the chance to have YOUR voice heard on what a Students' Association for every student should look like.

## **Career Opportunities & Employment on Campus**

I will **introduce a wider range of career opportunities** and volunteering experience across our campuses, and will work with our university to **include these on your academic transcripts**.

## **Revolutionize your academic experience**

I will **review your assessment & resit schedules** to ensure you can re-sit ASAP, and **re-evaluate the loading of your assessments** so that your assessments are spread across the academic year.

## **Review Graduation Fees**

I pledge to **reduce the cost of Graduation** at GCU! We've seen it done at Strathclyde and Glasgow Uni, now its our turn!
