

Vote MOSES APILIGA # 1

WHO AM I?

I am currently a fourth year honours student studying International Business at Glasgow Caledonian University.

I have been enthusiastically and passionately involved with students' association over the past years.

This year I am running for student president, the students' association needs strong leadership and I know I can be the one to give it!

ELECT ME AND I WILL:

SUSTAIN AND IMPROVE MENTAL HEALTH AWARENESS

I aim to not only raise awareness of Mental Health in general, but also lobby the University to sign a pledge. Everyone's mental health is important, and no one should be overlooked.

RAISE AWARENESS OF THE FACILITIES AVAILABLE TO STUDENTS.

I will ensure that all GCU students are aware of all the services at the university by actively engaging with students.

ACTIVELY SUPPORT CAMPAIGNES WHICH SEEK TO PROMOTE EQUALITY AND DIVERSITY

I will ensure that equality and diversity remain at the forefront of all union campaigns.

FIGHT TO INCREASE BOTH THE BUDGET FOR OUR SPORTS CLUBS, SOCIETIES AND THE HARDSHIP FUND.

We will negotiate for increase of the budgets for our clubs and societies and find innovative ways to approach companies and organisations for sponsorships on your behalf.

MAKE A CASE FOR THE REMOVAL OF OUTDATED MODULES.

The union under my Leadership will go through all the existing learning methods, if any is outdated or do not serve the students anymore we shall make a case for it to be removed or updated.
