<b>Date of Meeting</b>	20 <sup>th</sup> February 2023					
<b>Title/Subject</b>	Creating a memorial spot in the name of Chinenye Vera Okonkwo for students who have died while at GCU					
<b>Paper Presenter</b>	David Grimm, Care Experienced Officer					
<b>Brief Summary of Issues/Topic</b>	<p>Recently Chinenye was hit by a car in town and sadly has passed away. While sitting in the Student's Association, several of her friends were discussing a remembrance event for her and it made me wonder why we don't have a memorial spot for other students who have died in the past.</p> <p>I believe it is important and healing to have a space on campus, a visible space, for students to go and remember friends that have passed. This could be a tree and memorial plaque, or benches for students to use or a little statue for example. I believe it is important to show recognition to these students whether hit by a car or death by suicide, it can be a sad subject but showing our memory, also shows how much we care.</p> <p>I would appreciate support from voice and the full time officers to implement this, and votes on a tree or garden or other ideas are welcomed.</p>
