

My name is **Olivia Hall** and I am running to be your **Full Time Officer** for 2021/22.

I'm a fourth year Media and Communication student. As your **Student President**, I will work closely with the Student Association in order to enhance your University experience within GCU.

Below are my **campaign objectives:**

#### IMPROVED HEALTH AND WELLBEING SERVICES:

Being a student during the Covid-19 pandemic has been difficult for everyone. In order to keep students happy and healthy during their studies, it is vital the Health and Wellbeing services can keep up with the high demands, as well as being able to assist every student with their needs. As Full Time Officer, I would work with the Wellbeing team to **improve the counselling services** available, as well as bringing awareness to the roles of **mental health first aiders on campus**.

#### IMPROVED TIMETABLING:

Every year, students complain about their timetables. Whether it be having too many classes back to back or having large gaps between classes, I will work closely with the University to **improve the timetable structures**, making it **easier for students** to fit studying, jobs, and leisure around their education.

#### IMPROVED STUDENT UNION:

Currently, our Student Union has limited vegetarian/vegan/gluten-free options. I am campaigning to **update the menu items**, while also introducing **fairer prices** to reflect what students want. I also propose **updating the interior** to create a better atmosphere, and **serving food later** than 6pm so that once our Re:Union Bar & Grill opens again, students have an affordable and attractive place to socialise.

#### **YOUR VOTE COUNTS!**

I hope to have your vote come March 1<sup>st</sup> 2021!

#### **Any Questions?**

If you have any questions about my manifesto points and would like to discuss them further, you can contact me by emailing: [OHALL@200@caledonian.ac.uk](mailto:OHALL@200@caledonian.ac.uk) or texting: 07557818199
