# Re-Elect Rachel Simpson

## Experience you can trust

I'm Rachel Simpson, Vice-President of YOUR Students Association, and now I'm running to be re-elected as YOUR Student President

## 24-Hour Library Opening Hours

I will fight to ensure the **library is open 24hrs a day, 365 days a year**, - so you have the study resources YOU need all year round.

## Revolutionize your assessments at GCU

I will move **exams back before Christmas**, and I will make sure that the university implements **a standardized method of assessment feedback**, which is robust, constructive and is on time to help support your learning.

## A comprehensive review of student support

I will conduct a **comprehensive review of Student Support Services**; including the careers, counselling, and VISA services to ensure they are truly empowering you to complete your studies.
