

RE-ELECT SUSAN DOCHERTY TO BE YOUR STUDENT PRESIDENT

Suzi Dee for President

ABOUT ME

I graduated with my degree in
International Business and Human Resource

Management in the summer and took the decision to run for
Student Vice President last year. Before I continue with my

postgrad in Social Innovation I would like to be re-elected and I am re-running
again this year and would like to be your student president!

- I have worked this year on the Student Mental Health Agreement, Feel Fab Feb, Postgraduate Research (Glasgow and London) and Postgraduate Taught (Masters) calendar of social events, a mature student room and much more. I am also the lead for societies, media and the LGBT+ champion!
- I was a direct entry student from college straight into 3rd year and in this year won Student Representative of the year for my role as Mature and Part-Time Student Officer! I continued to represent mature and part time students in my 4th year and also took on the role as the deputy Women's Liberation Officer!
- I am running to be YOUR president as I know I have much more to give! I will do all that I can in campaigning on YOUR behalf for the things that YOU want and I will continue to support ALL students at GCU in Glasgow & London!

MANIFESTO POINTS

NO TO THE MONOPOLY ON GRADUATION GOWN HIRE AND PHOTOGRAPHY.

We got FREE graduations and worked hard to scrap fees for you, but is it really free when you have no choice other than to pay more than £70 for gown hire and photography for your own graduation without being able to shop around?

I want to tackle the monopoly on gowns and photography. Having a monopoly means that there is only 1 gown hire company you are allowed to use to be able to graduate! This means they can charge higher prices while students struggle financially to attend their own graduation ceremony!

A STUDENTS' UNION THAT YOU WANT: OUTDOOR BEER GARDEN, CHEAPER DRINK, BETTER FOOD, MORE DIVERSE LUNCH OPTIONS SUCH AS HEALTHIER, CULTURAL AND VEGAN

We have so much great space on campus, I want to utilise it by having an outdoor social space with a covered seating area and beer garden. I would like this to include a social kitchen where we can pay it forward for students who are struggling financially.

CAFÉ FOR OUR LONDON CAMPUS.

Our London campus doesn't have anywhere for our students to purchase a quick sandwich in between studying and classes so I aim to provide a café on campus for our London students.

TRAVEL FOR STUDENTS

Student Mobility is strongly associated with positive benefits in relation to personal development and career opportunities. With 3 campuses and upwards of 15 partnerships globally we should be utilising these opportunities for students in overseas placement, studies and volunteering.

CREATE INCLUSIVE, WELCOMING SPACES FOR ALL STUDENTS.

At GCU we are a very welcoming diverse community and I would like to make this even stronger by ensuring we have inductions for our diverse range of students as well as meet-up spaces.
