

Hi, I am Tabitha

I am one of your Vice Presidents and I am re-running to be elected as your Student President. During my time in office I have worked hard to represent **ALL** students in GCU in a fair and honest way. I am passionate about enhancing student experience and when elected I will strive to continue ensuring all students feel adequately represented on campus.

1. Tackle racism.

Continue working on Tackling Racism on campus and ensure that the recommendations from the GCU Tackling racism group are achieved.

2. Facilities and funds for sports clubs.

Lead the safest and fastest return to sports and ensure that our sports teams have adequate facilities and funds to run their programs.

3. International student one stop helpline.

Work with the university to establish an International Student helpline where International students can get easy access to university services.

4. On campus experience for all.

Strive to ensure each student gets an on campus experience through the implementation of a safe return to campus strategy.

5. Make positive mental health a priority.

Focus on promoting positive Mental health and peer to peer support through relevant campaigns and activities.

6. Promote equality and diversity.

Support and adequately represent every society, liberation and representation group at GCU, and ensure that every students feels adequately represented and supported.

7. Cheaper and diversified food, outdoor bar and microwaves.

Make it a priority for the university to provide cheaper food options including healthy, cultural and vegan options, provide microwaves for students and aim to use the vast space on campus for an outdoor covered bar with student prices.

8. Climate change

Ensure the university and the Students' Association work to reduce our carbon footprint with the goal of carbon neutrality to help with our contribution to climate change.
