

# TABITHA KEMUNTO NYARIKI

THIS GIRL WILL

Hi, I am Tabitha.

I am a fourth year Applied Psychology student and I have been involved with the Students' Association and the University as the Deputy International Students' Officer and a Student Ambassador respectively. Through both these roles I have been able to gain an understanding of the student experience and I have had the opportunity to work hand in hand with the university and Student Association to improve and enhance the student experience.

I am passionate about ensuring our voice as students is heard and enhancing student satisfaction on our campus.

**VOTE TABITHA #1 FOR  
STUDENT PRESIDENT**
