

Full Time Officer Individual Objectives 2025/26

Chinaenyenwa Ugo, Vice President SHLS

	Specific Objective <i>What do you want to achieve?</i>	Outcomes <i>What will be different as a result of achieving this objective?</i>	Action Required <i>What actions will you take to achieve this?</i>	Timescale <i>When does this need to be completed by?</i>	Success Measures <i>How will you track and measure your performance?</i>
1.	Champion Inclusive and Transparent Academic Policies	<p>Faster resits and reinstated priority marking.</p> <p>A revised transparent and accessible appeals process for all students.</p>	Lobby for reforms to ensure fairness and inclusivity in academic policies (resit scheduling, priority marking for students, and academic appeals).	May 2026	<p>Priority marking reinstated for students.</p> <p>Documented reduction in resit turnaround times or get the university to put it in their agenda.</p>
2.	Strengthen communication and student engagement with the students Association.	<p>Students are more informed about available support</p> <p>Increased student engagement especially London students with association services and events</p> <p>The university and the student association develop tailored communications specifically for London students.</p>	<p>Work with the Students' Association comms team to create short video explainers on key areas of interest (academic, wellbeing, financial aid, accommodation, appeals etc).</p> <p>Set up regular Q&A drop-ins (both online and in-person) where students in both London and Glasgow campuses can raise questions and get clear guidance.</p>	May 2026	<p>Have at least 2 or 3 short video explainers on key areas</p> <p>Students are more aware of the university and student association services available for them</p> <p>Ensuring there is a separate section on the GCU app, and tailored communications only for London students</p>

3.	Lobby for the development of a clear A.I policy	<p>Reduced confusion around policies.</p> <p>Students are more aware of how to use AI ethically</p>	<p>Co-develop an AI in Education Framework with the university to protect student interests.</p> <p>Collaborate with VP SSE to ensure that student consultations are done</p>	May 2026	University publishes a clear student-facing AI policy that protects students from unfair penalisation.
