

# ***Re-Elect Yetunde Beatrice Ogedengbe #1 As GCU President***

**“A leader that understands both home and international students’ priorities”**

## **Some of my achievements**

- As the first international fulltime officer (VP. SHLS) in GCU, I have ensured student **voices are heard with over 40 listening events** for both home students and International students in SHLS and beyond, which has led to the improvement of academic support Eg Placements, Inter-professional education course to be restructured to favour students.
- **Entrepreneurial Advocacy:** Ensured that the university launched the first **Tier one visa Graduate entrepreneurship visa, which gives student opportunity to develop entrepreneurial skills.**
- Lobbied for funds that organized the largest multicultural events on GCU campus which led to the development of **African Caribbean society that welcomes and accommodates Asian students** creating an inclusive community to an already existing **Erasmus society** to improve diversity and build intercultural relationship among all students (Home and international) in **all schools(SHLS, GSBS, SEBE).**
- **Introduced diversity workshop training in the Student leaders program offered at the student association, which gave students added employability skills beyond their professional qualification.**
- Wider development of student **beyond academic degree.** Advocated to ensure embedding intercultural skills awareness session within all programs in GCU and **university recognition of student volunteer role in certificate/transcript.**

If I could do these with your votes as a Vice president, then I can do more with your support this time as the president **#1.** I will ensure every student irrespective of age, gender, race and nationality, be equally represented as well as be a voice for Home, International, Postgraduate, Undergraduate, Mature and Part-time students in **Glasgow, London and other campuses.**

## Further Agenda

- I will ensure continuity in prioritizing students' wellbeing and strengthen Academic staff support to students.
- Regular multicultural events to build stronger relationship between staff, home and international students.
- Create more inclusive community where international students feel at home . Good welcome services, language barrier support and access to **university hardship fund** (currently unavailable for non-Uk students).
- Introduction of **more flexible ways of assessing students in all programmes** to ensure better academic performance.
- Provision of free emergency call centre for students (home and international).
- To ensure more listening events (feedback) thereby making certain of students' welfare.
- To ensure more comfortable study and equipped relaxing space on Campus. Eg Microwave, hot water dispenser at the student association building to save cost on students.
- I will work with the University Career service to bring more **external firms for regular job recruitment** on campus and during graduation periods for students .
- **Varieties of vocational trainings** to improve every students **entrepreneurial skills**.
- I will advocate for more **provision of student scholarships** for monetary support.
- I will ensure further campaigns against mental health discrimination, racism, religion and personal value discrimination.
